Training

Group:

Welcome to the Training community group.

Join this group to keep up-to-date with all the network and technology courses provided by Jisc. We provide a programme of high quality training opportunities on topics related to the Janet network and associated services.

We welcome your feedback in this group and would be happy to answer any questions you have on any aspect of our courses.

For details on our courses go here [1] or visit our booking app here [2].

Learning & Performance Institute
