

### 3. Launch a videoconference

Log in to the Janet videoconferencing booking system (or create an account if you are a new user).

Once logged in you will see the home page as shown in Figure 1:

Janet videoconferencing booking service

*Figure 1: Janet videoconferencing home page*

Click on the 'Launch Videoconference' button. You have the option to start your conference now or in 10 minutes time (giving you time to contact your participant or have your notes ready).

Launch a conference

Figure 2: Launch conference

The information required to launch a conference is very similar to the information needed to book one.

**Find out more about booking a conference by going to the library page that contains those details** <sup>[1]</sup>.
