

Gov.uk Transition to Nominet

As of 26th June 2024, Jisc no longer manage the gov.uk name space.

However, we will continue to act as a gov.uk registrar for select customers.

If Jisc are your registrar or if you would like to use our registrar service – please contact us via domains@jisc.ac.uk ^[1] or 0300 300 2212 for further support.

If you need support directly from the gov.uk registry – please contact either support@domains.gov.uk ^[2] or gtldsupport@nominet.uk ^[3]
