

## Lists and groups

### Community group and email list

- **CYBER SECURITY COMMUNITY GROUP** <sup>[1]</sup> – This is a trusted community that provides peer to peer support and meaningful content and for Jisc to provide advice and guidance to help institutions increase their cyber security posture. It is for members of staff within the education and research sector responsible for cyber security. to join the community group please visit <https://www.jisc.ac.uk/get-involved/cyber-security-community-group> <sup>[1]</sup>
- **UK-SECURITY** <sup>[2]</sup> – This is a mailing list operated by Jisc CSIRT for discussion of information security related matters within the education and research community. Membership of the mailing list is open to Jisc Security Contacts, members of the community with a bona fide interest in this area, or people outside of the immediate community who have long standing reputation within it. This mailing list also receives important announcements from Jisc CSIRT, but members who are subscribed to our closed announcement list will not receive them twice. To join the list, please send a request to [UK-Security-request@jiscmail.ac.uk](mailto:UK-Security-request@jiscmail.ac.uk) <sup>[2]</sup>
